

FIVE STAR HOTELS OF THIMPHU

1) Zhiwaling Ascent

Location: Kawa Dajo, Upper Mutithang, Thimphu, Bhutan

Zhiwa Ling Ascent Thimphu is an unpretentious but stylish property inspired by Dzong architecture and traditional Bhutanese design. Of modest size and built over three levels with comfortable open spaces in which to relax and meet other travellers, the Zhiwa Ling Ascent hotel is a celebration of modern minimalism, contemporary building techniques, and intimate connections with Bhutanese tradition and culture. The rooms are spacious and well-furnished with natural wood floors and ceilings, and underfloor heating throughout. Accommodation in this elegant Thimpu hotel is focused on energy efficiency and the large windows are designed to share the wonderful surrounding views with guests and to capture the light and heat from the sun throughout the day. The grounds and gardens of this Thimpu hotel extend for more than 25 acres around the hotel and have been planted with sweet-smelling Cyprus trees that are revered in Bhutan for their medicinal properties. The elegant modern architecture of Zhiwa Ling Ascent Hotel creates a calm natural environment, the perfect retreat from the bustle of the nearby cit.

2)Le Meridien

Location: Chorten Lam, Thimphu, Bhutan

Le Méridien Thimphu is located in the heart of Bhutan's capital city. This luxury hotel in Thimphu is within walking distance of shops, entertainment, and Memorial Chorten, with short drives to celebrated attractions such as Tashichho Dzong. Guestrooms and suites boast authentic Bhutanese style furnishings and luxury hotel amenities such as a flat-screen TV, free High-Speed Internet Access, a four-fixture bathroom, a work desk with an ergonomic chair, and views of Thimphu city and local hillsides. Energize with the global flavors and creative presentations of carefully curated fare at Latest Recipe, Latitude 27, and Sese Shamu, one of the only Pan Asian restaurants in Thimphu, Bhutan. Revitalize with a selection of treatments at Explore Spa and relax with leisure facilities such as a temperature-controlled swimming pool.
